Dear Ms. Wilson:

On 31 August 2007, the Central Intelligence Agency's Publications Review Board (PRB or Board) received a copy of the galley proofs of your manuscript, with several handwritten notations regarding new text, that you submitted on 29 August 2007. We also received on 22 August 2007 the disc you sent on 20 August 2007 that included the 15 photographs and accompanying captions that you intend to include in your manuscript.

The Board reviewed all of this material. We identified a few additional deletions (as indicated immediately below) that must be made in order to render the manuscript unclassified.

Copies of the pages cited above are enclosed.

Provided you make the required changes, the Board approves your manuscript and the 15 photographs and accompanying captions for publication.

Please do not hesitate to contact me if you have any questions or if we can be of further assistance.

Sincerely,
